## Complementary Requirement for applying New-PT2017

Some further information of NEW-PT need to be noticed:

1. NEW-PT2017 invites clinical experts and foreign experts, establishes Review Experts Committee (Read the attachment) to reflect the principle of NEW-PT which is guided by the clinical demand and ‘patient first’.
2. NEW-PT2017 encourages pharmaceutical factory to apply NEW-PT projects gathering with pharmaceutical materials factory.
3. If applicant is a pharmaceutical materials factory, the applicant needs to provide a costumer evaluation report.

Please get more information from our website ([www.cnppa.org](http://www.cnppa.org)).
