Invitation for '2025 Suzhou Dialogue'

Dear participants,

You are cordially invited to join '2025 Suzhou Dialogue' on August 26th to 28th in Suzhou, Jiangsu province of China!

Suzhou Dialogue has been taking place annually in Suzhou city since 2018, with powerful content on science, innovation, policy, regulations and trends, the summit has been successful in bringing the industry and experts together, address key areas of interest, exchange ideas, gain insights on pharma packaging, drug delivery device, lab equipment, ingredient, etc.

Last year, the three-days event of '2024 Suzhou Dialogue' came to an end successfully on August 29, 2024. This event brought together close to 3000 participants, over 150 guests speakers and 64 exhibitors from both in China and abroad. 22 forums brought 128 wonderful speeches, continuously developing into industry hot topics such as cutting-edge biopharma technologies, pharmaceutical packaging innovation, sustainable development and globalization. Each theme was closely aligned with the high-quality development requirements of the pharmaceutical, pharmaceutical packaging and pharmaceutical excipients industries, providing new perspectives for the high-quality development of the industry and the development of new productive forces.

'2025 Suzhou Dialogue' will be grandly held in Suzhou from August 26th to 28th. It will still continue the format that attaches equal

importance to conferences and exhibitions. Adhering to the principle of continuously serving pharmaceutical innovation, it will provide a cutting-edge and international empowering platform for pharmaceutical innovation. It will gather numerous authoritative experts, senior scholars and leading enterprises from both at home and abroad to conduct in-depth discussions on the dynamic changes of industry regulations and standards, lead the frontier trends of the development of excipients and packaging technologies, and promote the exchanges and cooperation between innovative drugs and innovative packaging.
